

PARKING

Please park in a space with a bagged meter on the first floor of the parking garage two blocks north of the Siebel Center. If there are no more bagged meters free, please return to the registration desk to be issued a parking hang tag valid at any parking meter on campus. Please note that you are responsible for any parking tickets resulting from not following these rules.

In order to help us keep track of which cars should be parked at our bagged meters, please fill in the following.
